

# God & Government

With Pastor John Weaver

You are invited to hear one of America's premier and most sought-after spokesmen on the professing Christian's civic duty to God, Family, and Country.

Surely you agree we are living in perilous times. No doubt you also agree God makes provision for times like these. Evidence of His good providence will be in Spokane and Chewelah the end of September in the person of patriot pastor John Weaver. Pastor Weaver challenged our thinking and activated our wills with powerful words of encouragement and enlightenment this time last year. We are still talking about it! Pastor Weaver, a native of Georgia, a seasoned disciple of Christ, a faithful preacher of nearly 50 years, has established many Christian schools and churches while expositing God's whole Word in the tradition of those early American pastors whose pulpits were the cradle of America's Christian liberty.

It will be Pastor Weaver's intent to strengthen and build up those of us who not only want to run the way of God's commandments but also fight the good fight of faith. We know the culture is a battlefield, not a recreation room, a war and not a game. Thus we are here to contend earnestly for the faith once and for all delivered unto the saints.

"Therefore take up the whole armor of God that you may be able to withstand in the evil day, and **having done all**, to stand. **STAND** therefore" (Eph. 6:10-14a).
